

COSTUME ORDER FORM

We cannot be responsible if measurements are not listed properly. Please circle measurements on the chart below and girls need to select one size as shown on the chart. Costumes are available only in sizes shown. If in doubt, girth is the determining measurement. The costumes are ordered by standard manufacturing sizes. Measurements are meant as a guideline only. Fittings are not made to individual specifications. Studios are responsible for selecting size to be ordered. Sarah's A Touch of Class Costumes is not responsible for costumes or tights ordered too SMALL or too LARGE.
